

REFUND POLICY

Quantix FS Ltd (the Company) Refund Policy main aims to stipulate policy and procedures related to the refund of funds deposited into the Customer's accounts with the main goal of providing guidance and clarity to the involved parties.

All executed orders are final and cannot be cancelled or reversed, unless otherwise decided by Quantix FS Ltd (the "Company").

In exceptional circumstances, the Company may process a refund if the Customer used a debit or credit card to deposit funds, in such cases, the funds will be refunded to the same card that was used for deposit. The Company has the right to verify all information related to any request for refund and ask the Customer to provide certain due diligence documents. If the Customer fails to provide requested documents or information within 24 (twenty four) hours upon the request from the Company or in case of any doubts as to the authenticity of the documents provided, the Company has the right to decline the Customer's request for refund.

Customer's request for refund will be declined if the Customer's trading account has been suspended due to the violation of the Client Agreement. The Company is not obliged to provide any refund in case the loss was caused by any reason either foreseen or unforeseen. The Company will not satisfy refund requests that exceed the original deposited amount, unless otherwise agreed between the Company and the Customer. Processing of refund requests can take up to 5 (five) business days provided that no orders have been placed or executed by the Customer.

In Case of third-party deposit to a Customer trading account, the refund of funds will be done automatically by the Company, without any exceptions during the 24 hours from the time of the transaction. All other refund requests will be treated as withdrawal requests and will be handled in accordance with the Company's withdrawal policies and procedures.
